## Creative HS-220 USB Headset with Noise-cancelling Mic and Inline Remote

Refreshed with a new, understated look and optimized for online meetings, the Creative HS-220 is a simple plug-and-play headset that works with any PC or Mac, and is lightweight so you can use it comfortably for long hours without fuss!

The Creative HS-220 is equipped with all the must-have features for work calls—a noise-cancelling condenser mic to block off unwanted noise, and a convenient inline remote that comes with easy access to mic mute button and volume adjustments.

**PLUG-AND-PLAY HEADSET FOR WORK** – Be ready in seconds for your work call. Without the need to install any extra software or to fiddle with settings, the Creative HS-220 is suitable for use with any PC or Mac computer with a USB-A port

**STAY COMFORTABLE DURING LONG MEETINGS** – Designed to be lightweight (108g / 3.81 oz), the Creative HS-220 rests comfortably on your head and ears without weighing you down even during long meetings

**BE HEARD CLEARLY** – The Creative HS-220 comes with a noise-cancelling condenser microphone. This passive noise-cancelling boom mic works to pick up your voice over the surrounding noises, and ensures that you are heard clearly by your bosses and co-workers.

**DIRECT MIC MUTE CONTROL** – Creative HS-220 allows you to mute or unmute yourself easily with a press of the button located on the inline control of the headset cord. No unnecessary awkward silence needed

**SUPERIOR SOUND FOR ALL USE** – Our Creative HS-220 headset is equipped with 30 mm Neodymium drivers on each side of the earcups to deliver enhanced digital audio straight to your ears
