

iRoar Go

Feature Rich Powerful 5-Driver Weatherproof Bluetooth Speaker

Creative takes the iRoar Speaker experience even further with the Creative iRoar Go. Incorporating the same award-winning speaker DNA as the Classic Sound Blaster Roar and the Creative iRoar (with 5 powerful speaker drivers that includes a built-in subwoofer for room-filling audio, 2 amplifiers for balanced audio delivery, and built-in processing with supported mobile phone apps), the iRoar Go now comes with the following features for improved all weather portability and amazingly wide music soundstage playback.

iRoar Go is the new Roar re-invented

- It is 25% Lighter and 40% Smaller than iRoar. It is the world smallest and lightest 5-Driver Bluetooth speaker

Amazing SuperWide Mode

- Creative's groundbreaking SuperWide technology that delivers a startlingly wide audio experience from a small device. iRoar Go's intelligent processing ensures that your ears perceive left and right sources in their correct place (left channel to left ear/right channel to right ear) with amazing accuracy. Your eyes won't believe what your ears are hearing!

All Terrain Weather Resistant

- All weather IPX6 IP-certification

Roar Audio™ Power
