OVERCLOCKING MEMORY

FAYE

Inspired by ancient Mayan Zodiac that the Eagle represents the life-giving Sun and a symbol of raw power FAYE is a no-frills ultimate upgrade for gamers, overclockers and enthusiasts. The heatspreaders are intentionally designed to depict the Eagle whilst yet providing excellent cooling performance, as well as great stability whether you are on the battlefield gaming or achieving higher benchmarks in overclocking. Raw, no-frills, overclocking - FAYE.

- ▶ **Amazing Performance with Great Power Efficiency**
